TOUR NEW ZEALAND

“The land of the long white cloud” offers something to every visitor. New Zealand is blessed with natural beauty throughout from spectacular glaciers and soaring mountains to miles of sandy beaches, stunning national parks and wondrous geothermal pools.

You'll be sure to receive a warm welcome from the kind hearted and friendly Kiwis.

NORTH ISLAND - AUCKLAND

The 'City of Sails', Auckland has more boats per capita than anywhere else in the world. With so many bays, beaches and islands, glistening waters seem to beckon from every point. Auckland is New Zealand's centre of commerce and industry, and is perhaps the most vibrant, bustling and multicultural city in New Zealand.

Sky Tower

At 328m Auckland's sky tower is the tallest man-made structure in New Zealand and offers breathtaking views for up to 80 kilometres in every direction.

Eden Park

Visit the home of the All Blacks and the host stadium to the Rugby World Cup final 2011 with a guided tour and a visit to the stadium museum.

WELLINGTON

Wellington is the southernmost city in the North Islands. Home to Parliament, the Museum of New Zealand - Te Papa, a thriving film industry and the gateway to the South Island.

ROTORUA

Whether you are seeking to experience Maori culture, geothermal earth forces or thrills and adventure Rotorua has them all. Along with other natural assets, some of the world's best mountain biking trails, fantastic trout fishing and forest walking tracks, Rotorua caters for every tourist.

Lake Taupo

Created nearly two thousand years ago by a volcanic eruption Lake Taupo is now the setting of a stunning location for you to enjoy activities such as fishing, water-skiing, sailing and kayaking.

SOUTH ISLAND - QUEENSTOWN

Queenstown doesn't earn its nickname, the adventure capital of the world, for nothing. It's natural beauty changes with the seasons, the lake glistens in the summer sun and snow clad mountains tower above the town in winter. Queenstown is a great place to visit all year round and offers limitless adventure.

Jet Boating and Rafting

New Zealand is famous for its Jet Boating rides and White Water Rafting and it's easy to see why the thrill seekers love these attractions.

CHRISTCHURCH

There is nowhere else in the world where you can ski at a world-class alpine resort, play golf, bungee jump, raft, mountain bike, hot-air balloon, wind surf, whale watch and visit internationally-acclaimed wineries and gardens within two hours of an international airport. Christchurch could just be the perfect touring location.

Sport in New Zealand

New Zealanders are obsessed with rugby and after winning the Rugby World Cup 2011 in their own backyard the whole country was brought to a standstill.

The All Blacks are an international brand and are recognised worldwide but you'll be sure to meet tough opposition here.

Rugby is played from April to September.

Flight times (approximate)

London Heathrow Airport to Auckland 23 hours

Currency New Zealand Dollars (NZD)

Weather in New Zealand

New Zealand weather can change unexpectedly. Be prepared for sudden changes in weather and temperature. New Zealand has a largely temperate climate. While the far north has subtropical weather during summer, and inland alpine areas of the South Island can be as cold as -10°C in winter, most of the country lies close to the coast, which means mild temperatures.

The average New Zealand temperature decreases as you travel south. January and February are the warmest months, and July is the coldest month of the year.

Summer December - February
Autumn March - May
Winter June - August
Spring September - November

Time Difference GMT +13 hours

Main Language(s) English

Visas

If you are from a visa-waiver country, and intending to visit for no more than your allotted time of three months (or six months if you are from the United Kingdom) you will not require a visa to enter New Zealand.
